FACTSHEET

JUNE 2026

Making every day taste *better*

Greencore Factsheet

Following the acquisition of Bakkavor Group plc in January 2026, Greencore has become a leading convenience food manufacturer in the UK, with a presence in the US. We combine deep consumer insight with scale and innovation to deliver high-quality, fresh, and convenient food solutions.

We supply all major UK supermarkets, convenience and travel retail outlets, discounters, coffee shops, foodservice providers, and other retailers, as well as leading grocery retailers in the US. Our portfolio spans approximately 3,200 products across all food for now and food for later meal occasions, including sandwiches, salads, sushi, ready meals, pizza and bread, chilled soups and sauces, quiche, ambient sauces, pickles, frozen Yorkshire puddings, dips and desserts.

Headquartered in Dublin, Ireland, the combined entity generated approximately £4.1 billion in revenue in FY25⁽¹⁾ and employs around 28,000 people.

Forward looking statements

In Certain statements made in this document are, or may be deemed to be, forward-looking. These represent expectations for the Group's business, and involve known and unknown risks and uncertainties, many of which are beyond the Group's control. The Group has based these forward-looking statements on current expectations and projections about future events based on information currently available to the Group. The forward-looking statements contained in this document include statements relating to the financial condition, results of operations, business, viability and future performance of the Group and certain of the Group's plans and objectives. These forward-looking statements include all statements that do not relate only to historical or current facts and may generally, but not always, be identified by the use of words such as 'will', 'aims', 'achieves', 'anticipates', 'continue', 'could', 'develop', 'should', 'expects', 'is expected to', 'may', 'maintain', 'grow', 'estimates', 'ensure', 'believes', 'intends', 'projects', 'sustain', 'targets', or the negative thereof, or similar future or conditional expressions, but their absence does not mean that a statement is not forward-looking.

By their nature, forward-looking statements are prospective and involve risk and uncertainty because they relate to events and depend on circumstances that may or may not occur in the future and reflect the Group's current expectations and assumptions as to such future events and circumstances that may not prove accurate. A number of material factors could cause actual results and developments to differ materially from those expressed or implied by forward-looking statements. Investors should read the discussion of risk in the Group's Annual Report and Financial Statements for the year ended 26 September 2025 issued on 18 November 2025. There may be risks and uncertainties that the Group is unable to predict at this time or that the Group currently does not expect to have a material adverse effect on its business. None of the Company or any of its associates or Directors, officers or advisers provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this document will actually occur. You should not place undue reliance on any forward-looking statements. These forward-looking statements are made as of the date of this announcement. The Group expressly disclaims any obligation to publicly update or review these forward-looking statements, whether as a result of new information, future events or otherwise, other than as required by law.
