Why Greencore?

Greencore is one of the UK's leading manufacturers of convenience food, with over 100 years of experience and a simple purpose: to make every day taste better.

Every day, our food reaches millions of consumers through the UK's major retailers and foodservice providers. With over 28,000 colleagues across 36 manufacturing sites and 21 distribution depots in the UK and US, we're investing in the talent, expertise and capabilities that will help shape our next century of success.

We're already home to some of the best talent in the industry. From operations, manufacturing and engineering to technical, commercial and central functions, our colleagues have the opportunity to learn from each other, develop their skills and build rewarding careers in a business where they can make a real impact.

Many of our leaders and specialists started their careers with Greencore - developing future talent is an important part of how we continue to grow and succeed as a business. That's why our graduate, undergraduate and apprenticeship programmes are so important, giving talented young people the opportunity to gain hands-on experience, learn from experienced colleagues and take the first steps towards a rewarding career with us.

What you'll be doing

Our Finance Programme is designed to support and ensure high standards structured around the CIMA qualification; it offers three distinct placements in Management Accounting, Financial Accounting, and Advanced Management Accounting. You'll also gain valuable experience in financial management, risk management, and process improvement.

Greencore and its recruitment partners never charge candidates any fees at any stage of the hiring process. Any request for payment relating to a job opportunity should be considered fraudulent.

We carefully select placements to provide you with comprehensive exposure to essential business areas, ensuring you gain a deep understanding of our operations. After completing the programme, you'll continue to expand your expertise, preparing for a senior role.

The programme consists of an 18-month initial placement, followed by two 12-month placements, which may be at any of our UK sites. Flexibility in location is crucial during this period.

What we're looking for

- **Degree:** Achieved or expected to achieve at least a 2:2+ honours degree in any discipline
- **Experience:** At least three months of relevant work experience.
- **Work Eligibility:** Right to work in the UK for a minimum of 3 years from September 2025
- **Motivation:** A clear motivation to deepen knowledge of the food industry, with a particular focus on partnership development and effective stakeholder management
- **Flexibility:** Willingness to complete three 12-month placements at different locations across the UK (we will consider your preferences).
- **Cultural Fit:** Alignment with Greencore's values and a strong fit for our organization.

If this sounds like you, join us and grow with Greencore, and be a part of driving our future success.

What you'll get in return

- **Dedicated Champion:** A key contact for your functional Programme.
- **Mentor:** Guidance and aid throughout your development.
- **Cohort Experience:** Join up to 20 other graduates and connect with a broad network of alumni.
- **Line Manager:** Regular performance reviews to develop your skills and knowledge.
- Throughout your time at Greencore, you will be supported with on-the-job training and development opportunities to further your career.

Throughout your time at Greencore, you will be supported with on-the-job training and development opportunities to further your career.

At Greencore we put our people at the core. We celebrate their differences and help everyone to be themselves at work. Together we make every day taste better.

Greencore and its recruitment partners never charge candidates any fees at any stage of the hiring process. Any request for payment relating to a job opportunity should be considered fraudulent.

What's next:

Once you have submitted your online application, it will be reviewed to ensure you meet the required criteria. If you meet all the requirements and are selected to progress, you will move on to Stages 2 and 3: an automated online video interview and online aptitude testing.

Once both stages have been completed and reviewed, successful candidates will progress to the final stage: an in-person assessment day, held at one of our sites or another designated venue.
